# *the* Crisis

The world is longing for connection  
with the living God.

*69% of Americans claim to be Christian.*

*Yet 30% of Evangelicals do not believe  
in the Divinity of Jesus.*

*64% of 18-29 year-olds in the U.S. will  
leave the Church this year.*

God is calling His artists/creatives to the  
mission field of culture.

**Mission**

To gather other Jesus-following creatives who desire to use their gifts to fulfill the Great Commission.

To produce theologically-rich creative content that both awakens believers to the realities of the Kingdom and preaches the gospel to those soul-hungry for the Truth.
